Fiscal Analysis

ASSUMPTIONS:

1. There is no fiscal impact to the state.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

With the provision allowing for two days credit for each day worked in the county jail work program, county’s per inmate incarceration cost would be cut in half for each participating inmate. There may also be undeterminable savings in the overall cost of the public project labor costs with the use of inmates to accomplish jobs which may otherwise require county employees to work overtime to complete the project.
